Queen Pat, a bit of naughtiness in this grand lady.

Bob admiring the lady during lunch.

Mary thought she was the queen of Havilah for the day.

Recent cooking activity in Heath House where cup cakes were made and residents decorated the finish product ready for their afternoon tea.

As well as her book being an entertaining read, Josephine Moon shines the spotlight on the joys and difficulties facing a heart transplant recipient.

Mother of three, Gabby McPhee, who owns a Melbourne cafe and coffee roasting house called The Tin Man, had a heart transplant three years ago and now wants to discover the donor.

Meanwhile Krystal, who was widowed after husband Evan was killed in a mysterious hit and run car accident in Sydney, believes Gabby is the recipient of his heart.

A newspaper story about Gabby's cafe and her transplant inadvertently connects the dates and provides a contact.

Krystal, who was left alone to bring up two young boys, must cope with Evan's ruthless sister, lawyer Cordelia-Aurora Arthur. Head of the family law firm, Cordelia-Aurora resented her brother's quick decision to abandon his legal career and become a sommelier.

Krystal has many unanswered questions, including why Evan was in Sydney that fateful night, and believes Gabby can provide the answers via Evan's heart.

Gabby, who has researched the possibilities of cellular

memories from a donor's heart, wants to help Krystal, but they discover several unpleasant secrets in their quest to leave the past behind.

It is a moving novel that makes you smile and feel sympathy for the well-rounded characters that are both likeable, believable and vibrant.

Themes of the priceless gift of life, loss, grief, love and friendship run through the engrossing book which is hard to put down.

A special High tea was held as a thankyou of appreciation to the tireless efforts that is put into Havilah by our Auxiliary ladies. The contribution from the ladies from the beginnings of Havilah have shown by the way of funding for equipment, furniture, the resident bus outing and other special occasions.

In the 23 years the auxiliary have raised in excess of \$332K which is an amazing effort. A huge thanks goes to these volunteers.

# *Shirley Nicholson*

**Length of time at Havilah:** I have lived very happily at Havilah for 9 years.

**My Story:** I was born in Maryborough and have lived here most of my life. I am the eldest of 3 children. I have two brothers and we grew up in a very happy home and did lots of fun things together as a family.

**Things you used to do for fun:** I have always loved to sing and dance to my favourite music and spent many hours doing that. I enjoyed visiting family and friends, especially for morning tea and also spent lots of time riding my bike. I liked to look after our pets. We had a King Charles Cavalier who I took for walks around the paddocks at home and I also used to help feed the horses with Dad.

**About where you have lived:** I have lived in Maryborough all my life except for a few years when I was young and my parents had a mixed business in Balarat and we lived behind the shop. I used to love sneaking lollies, biscuits and ice creams from the shop.

**Travel, sport, passions:** As a child I looked forward to holidays with my family in the caravan at the beach. I liked going on outings and I loved to go shopping with my Mum. I have always had a passion for buying bags of all shapes and sizes.

**Things you enjoy to do now:** I still like to do jigsaw puzzles, as I have done all my life. I participate in as many activities at Havilah as I can. I look forward to the bus trips around the Maryborough district each week, Happy Hour and street walk. I enjoy social time with other residents and always look forward to visits and phone calls from my family. I go to the Kalparrin group one day every week and I have fun catching up with my friends and doing various activities there.

**Your favourite topics:** I just like spending time with people and talking about my two brothers; my nephews and nieces and their families.

**Favourite Food and Music:** I like all music, but am especially keen on rock and roll and 1960's music. I have a big collection of CD's that I spend a lot of time listening to. I love going to morning melodies and any musical event. I am always keen to get up and dance. I like most food but am very partial to sweets. My mum was a beautiful cook and I loved her sponge cakes and pavlovas.
